

ANTHONY A. WILLIAMS  
MAYOR

Dear District Government Employees:

This year marks 50 years of the District Government Employees' One Fund campaign. This golden anniversary is a milestone and we have raised the expectation level for our campaign goal. This year, we are determined to raise \$1.5 million dollars so that the many charitable organizations participating can benefit even more from your contributions.

The campaign theme selected this year is "50th Year of Sowing Seeds.. ..DC One Fund." The theme cannot be more appropriate, because this is what we are doing when we make our contributions to the DC One Fund. Through our contributions, we are supporting our communities by helping others less fortunate than ourselves.

As your mayor, I have made my commitment to continue cultivating our community by contributing my fair share. Now, I ask that every district government employee consider planting a seed of giving. You will find in this year's directory many charitable organizations that will touch your heart. It is important that you take the time to review the directory and make your selection, because they all need our assistance. These organizations depend on us for support so that they are able to provide direct services in our community.

Let's make this a successful 50th anniversary. I'm asking you to help us raise \$1.5 million dollars. So, please consider making a minimum contribution of \$52. Two dollars a pay period is not much to ask for when you consider the value of your contribution to someone in need. If you are able to contribute more, I encourage you to become a Fair Share giver. We cannot achieve this goal without your commitment.

Thanks, and I know we can count on your full support.

Sincerely,

A handwritten signature in cursive script that reads "Anthony A. Williams".

Anthony A. Williams  
Mayor
